Verse2

Bm **D** **G** **F#**
Well night has set and I'm out again.
Bm **D** **G** **F#**
To find that feeling and make some friends.
Bm **D** **G** **F#**
I'll search high and I'll search low
Bm **D** **G** **F#**
I'll find that soul that lies below
Bm **D** **G** **F#**
We'll join the ranks and never say die,
Bm **D** **G** **F#**
and if we do then at least we tried
Bm **D** **G** **F#**
We'll stumble back and make our way home
Bm **D** **G** **F#**
And if we get lost then forever we roam

Chorus:

Em **A**
There it is
Em **A**
This is just what I wanted
Em **A**
Just what I wanted

Em A D
You can be so proud of me
Em A
Well there it is

Just what I wanted
Em A D Dsus4
I'm in your light
